#### Welcome to Aerospike's 1-Day Digital Summit Mission Now

There has never been a more urgent time for business. The pace of information flow is unprecedented. Our mission is now!

Join us for Aerospike Summit 2022 to network with your peers and hear from industry leaders across the board on how they're harnessing the power of now by capitalizing on data and fueling exceptional customer experience in the moments that matter.

We will kick off the day with a visionary keynote from our new CEO, Subbu lyer. Jose Hernandez, a former NASA astronaut and American engineer, will deliver a talk about a mission that is, literally, out of this world! We will then quickly follow with 11 exciting sessions that will cover how ever increasing real-time data requirements are evolving in the market. You'll also discover how to scale data with predictable performance from terabytes to

Jose Hernandez Former Astronaut, CEO, Tierra Luna Engineering, LLC
